

# Your Green Life Now!

## A Guide for Chandler Residents

January 21 thru June 17, 2010  
7:00 – 8:30 P.M.

Tumbleweed Recreation Center, Cotton Room North  
745 E. Germann Road

Learn about solar energy, recycling, gardening, water conservation and a variety of home improvements that will make your home more sustainable/green by attending one or all of these FREE workshops! Hear from the experts! Receive free literature, special offers, door prizes and more!

Classes are free for Chandler residents and space is limited, so register today! Call the City of Chandler's Environmental Education Center at 480-782-2890 or send an email to [eec@chandleraz.gov](mailto:eec@chandleraz.gov).

- January 21, 2010 – Gardening 101:  
*Learn about soil preparation, timing, how and when to water, and what varieties to try in your desert garden!*
- February 18, 2010 – Low Water Use Landscaping:  
*This class will teach you how to create a tropical or Mediterranean-looking yard that uses less water right here in Chandler!*
- March 11, 2010 – Smart Water:  
*Learn tricks and simple, low-cost techniques for reducing your monthly water bill!*
- April 15, 2010 – All About Solar:  
*Take advantage of solar incentives and learn how solar energy can help you save on energy costs for your home or business!*
- May 20, 2010 – Reduce, Reuse and Recycle at Home:  
*Learn a multitude of ways to reduce waste through smart purchasing decisions, reuse options and recycling programs available in Chandler and beyond!*
- June 17, 2010 – Greening Your Home:  
*Find out how greening your home can reduce utility bills and result in a healthier living environment for your family!*

Attend Your Green Life Now! Outdoor Expo from 9 a.m. until noon on Saturday April 24 at Chandler's Environmental Education Center, northeast corner of Lindsay and Chandler Heights Road!
